

**APRILLE WILLIAMS**  
Resale Shop Manager

Aprille lived in several states all over the country while working as a professional theatrical technician but is a native Houstonian from The Branch and glad to be back. She was born into St. Christopher's and now proudly follows in the footsteps of her lovely grandmother, Lucille Whitaker, by working daily to further the mission of the church. She is currently serving as the Manager of the Resale Shop. She enjoys knitting, audiobooks and conversation and would welcome you into the Shop to share a cup of coffee and a chat any day.
